### Nationality Mix

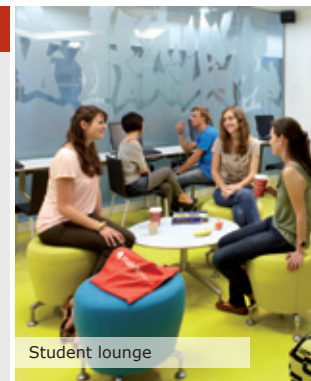

All our programmes fit in to three course intensities, with the choice to study either in the morning or the afternoons.

### General English

- Our General English Programmes develop all-round improvement in the four skills of the English language, including reading, writing, listening and speaking. This will help you to communicate with confidence, whether for work or pleasure.

Student lounge

### Combination

- Combining English with a range of topic-based modules including Media, Tourism and British Culture allows our students to vary their course and expand their knowledge in different areas, depending on need and interest.

### Business

- English is the language of international business and there is no better city to study it in than London! Our programme equips students for the global business arena, developing and practising their Business English skills through our innovative project based course.

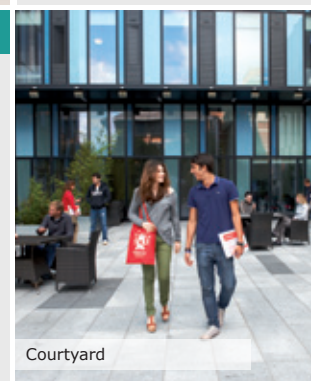

Student Centre

Reception

### Academic & Exam

- IELTS exam preparation can be taken for the course length and intensity that suits your needs.
- The NCUK foundation programme at Malvern House London guarantees you a place at one of 11 top UK universities upon successful completion of your course.

Courtyard

### Work Skills

- Our work skills programmes are a great opportunity for European students to further develop their learning and add key experience in either paid or unpaid work placement. Give a boost to your CV and career prospects!
